# **BECA Guarantee Bond**

The British Exhibition Contractors Association, BECA, has been representing Exhibition Contractors since 1913, in the ever-changing Exhibition Industry. BECA provides a voice for its members on all aspects of industrial relations and acts as a source of advice. At present BECA represents over 250 UK based companies who service the Exhibition Industry in the UK and Worldwide.

BECA Members incorporate a variety of different services to meet the needs of organisers and exhibitors. Their services range from stand design to cleaning and from flowers to electrics. BECA Members are fully aware of the problems facing Exhibitors, Organisers and Venues and are available to assist with any strategic planning and logistical problems they may encounter.

Over the years BECA has encouraged and developed highly professional standards for their members. BECA is confident these standards will be maintained due to the vetting procedures Contractors are subjected to before becoming BECA Members. All members must meet the Associations Standards of Workmanship, Service and Business Practice.

One of the many benefits of appointing BECA members to handle Exhibition work is the "BECA Bond\*" which guarantees work in the crucial build up period to a show in the event of a Member being taken into liquidation. Any contract falling within the scope of the Bond cover would be completed with the assistance of the Association and its other members.

In practice, if a Full BECA Member employed by you went into liquidation and work was outstanding, BECA would either appoint another Member to meet the terms of the contract, or reimburse you for completion of the contract arranged by you subject to the limits of the original contract. The BECA guarantee\* applies to all work done in the United Kingdom and covers the period of seven days prior to the Exhibition build-up through to the Exhibition itself.

The BECA Bond is underwritten by a major Insurance Company. If you would like further information on the bond, please contact the BECA, contact details are on the reverse of this sheet.

\* (The guarantee is subject to policy terms, conditions and exclusions).
